

The Corporation of the Township of Minden Hills  
**Mayoral Decision**

---

**Decision:** 2026-MDE-07

**Date:** January 16, 2026

**Subject:** **Veto Resolution 26-10 – Council Amendment to remove the operating provision for the transport of organic material for processing passed at the January 6, 2026 Special Meeting**

---

Pursuant to the powers extended to the Head of Council under Part VI.1 of the Municipal Act, 2001 (the "ACT"), I, Mayor Carter of the Township of Minden Hills, hereby veto the following Council amended resolution to the proposed 2026 Mayoral Budget, passed by Council at its January 6, 2026 Special Meeting, in accordance with subsection 284.16(4) of the Act:

**"That Council amends the 2026 Mayoral Budget to remove \$20,000 from the Environmental Services Operating Budget for the Organics program"**

The reason for this veto is;

These are the operating funds required to support the transportation of the organic material. Although, the Proposed Budget listed \$20,000 in Operating costs, the reality is that these Moloks would be installed mid-year resulting in a probable expenditure closer to \$10,000.

This Mayoral Decision comes into effect on January 16, 2026
